## Carnival for May 24th Under Auspices of Citizens League Dominion Day Also to be Observed by Grand Parade and Program of Sports

### League Committee Appointed

It was decided at a meeting of Citizens' League members and supporters held on March 12 in the council chamber, that Victoria Day (May 24) be celebrated by a grand carnival. It will probably open on May 23 and continue till the 25th.

Committees, under the chairmanship of David Gillespie and with Jim Wilson as secretary, will arrange the details. On the committee will be the same groups which so successfully handled the July 1 celebration last year, with some additions, of which a full list will be published.

Concerning the part the League played in the municipal elections, A. M. Morrison, president, commended the workers. Discussion on how to finance the league resulted in a motion by J. Wilson that the membership fee be \$1.00 for men and 50c for ladies.

Membership cards are to be sold by the following committees: S. Leaky, Frank Serak, A. Harry, for West Coleman; Harry Scaba and Dan Kolesnik for East Coleman; Messrs. Yagos, Ed. Churila, Kryta, and Blinda; J. Salvador, A. Toppiano, J. S. D'Apollonia, to cover the same district as in the election; Jim Wilson, J. Anderson, Boh Hill, W. Cousins, J. Hadley, for balance of town.

A meeting of the sports committee was called last evening to make further arrangements for the carnival.

### Reason Given for Kelly Suspension

Lethbridge Herald: Robert English, deputy minister of municipal affairs, in a statement to the Lethbridge Herald over the week-end on the situation in the town's affairs at Blairmore, said:

"Following a lengthy special meeting of the town council held at the close of the public meeting and after the presentation of the auditor's report to the council, A. J. Kelly, the secretary-treasurer of the town, admitted defalcations in the town of Blairmore funds and therefore has been dismissed from the service of the town and the mayor is instructed to take the necessary steps to deal with the matter."

### Down Through the Years

25 years ago G. R. Powell left Little Current, Manitoulin Island, for western Canada. The Expositor, weekly newspaper published in Little Current, in its March 2 issue, under the heading "25 Years Ago," states: "G. R. Powell left town on Tuesday morning. We hope Mr. Powell will be like Noah's dove, and find no rest for his feet until he returns to Little Current."

Mr. Powell did not return, for he settled at Tater, where he carried on business and also had farm land in that district. After several years there, he opened in business here and has since been a popular and respected citizen of this town. It is also of interest to note that Harold F. Ritchie, wealthy Canadian business executive, lived in Little Current as a boy, and his father and brother still live there. Mr. Powell knew the family quite intimately.

### Popular Couple Return to Coleman

Mr. and Mrs. Walter S. Purvis, former well known residents of Coleman, recently returned after living in Winnipeg for three years, and have been extended the hand of welcome by many friends and acquaintances. Both took an active part in community affairs, Mrs. Purvis being one of the Shamrock hockey team which some years ago helped to keep attention focussed on Coleman by their prowess against other ladies teams. Mr. Purvis was secretary of the Board of Trade and also the Rod and Gun Club, the latter at the time of his holding office having a record membership.

During his residence in Winnipeg, he was also representative for International Coal & Coke Co. Ltd., covering the city and the provinces of Manitoba and Saskatchewan. Prior to leaving here he was purchasing agent for the company and secretary to the general manager.

He has resumed a similar position in conjunction with his sales work. Coleman heartily welcomes Mr. and Mrs. Purvis.

"Look for the good in everybody and it will come out to meet you."—Quotation from the Western Catholic

### Welsh Society Notes

On Friday night, March 10, sweet strains were heard issuing from the K. P. Hall—what could this mean? Oh! the secret is out; the local Welsh people have organized a Cymrodorion Society, which meets once a month.

Elias Jones is president, Jim Cousins vice president, and Mrs. J. Richards secretary-treasurer.

This month's entertainment took the form of a whist drive, concert and dance.

It is the aim of the organization to make use of all talent, musical or oratorical, with the view to bringing out whatever ability each child possesses. So Oliver Brown played a piano solo; Ellen Richards, Ismay Hadley, Doris Griffiths, Browen Jenkins, Jorice Williams and Alberta Phillips sang solos. Even little Billy Cousins did his bit by giving classic renditions of such pieces as "Clementine," "Jack and Jill," and so on.

Of course, community singing played a big part on the program, when everyone joined in to sing all the old favorites—Welsh and English.

The supper that followed was enjoyed by all, with a dance to the music of Mrs. Wm. Hopkins and James Cousins rounded out the night.

### A Prophet and a Seer

I Nielsen is a weather prophet whose predictions can be relied on better than the famous Mr. Foster, of weather forecast fame. Walking home on a cold evening early in March, "yeard" met Mr. Nielsen, "Is going to warm up pretty soon," said he. "How d'ye know?" we asked. "See those clouds in the west," sez he. "That means warm weather, and it will be here by nine o'clock to-night." And he was right, for before the whistle sounded at International mine, the temperature had risen several degrees and the wind had abated. We have seriously considered asking Mr. Nielsen to go into the weather forecasting business to furnish daily reports. Possibly he will outshine Mr. Foster, who reaps a nice revenue from his professional forecasting.

### Hockey Club Closes Season

As a happy ending to a season of keen hockey, in which the Canadians made a remarkably good showing, a banquet was held in the Grand Union hotel on March 10, at which the team and a number of supporters enjoyed a very fine menu. The tables were adorned with cut flowers, presenting an attractive appearance.

President Frank Creggan presided, and the speakers included J. A. McLeod, a former president; A. M. Morrison and Rev. Roy Taylor. H. C. McBurney thanked the club on behalf of the rink company for their contribution towards risk maintenance.

At the annual meeting following the banquet the following officers were appointed: President, Frank G. Creggan; honorary presidents, O. E. S. Whiteside, Geo. Kellogg; vice-president, Dr. T. K. McLean; secretary-treasurer, J. Williams; executive committee, R. F. Barnes, Rev. Roy C. Taylor, C. J. Devine, J. A. McLeod.

The financial statement showed all liabilities paid and a surplus to commence next season.

### Surprise Party—Silver Wedding Anniversary

About 32 friends gave Mr. and Mrs. George Morgan the surprise of their 25 years of married life when they congregated at their home on March 10 to hold a party in honor of their silver wedding. They were presented with a silver basket filled with carnations, and happy little addresses of goodwill. The evening was spent in which, the prize winners being Mrs. E. Morgan, Blairmore, Mrs. J. Yates, T. Higginbotham and W. Lees. The tables were decorated with carnations and tulips.

Mr. Morgan has lived here 27 years, and two years after coming here returned to Halkirk, Flintshire, Wales, where he was married and brought his bride to Coleman, where they have since resided. Good wishes were showered on them and The Journal joins in wishing them many, many years of continued happiness.

## NOTES AND COMMENTS.

This issue of The Journal is quite abbreviated. In order to try and maintain weekly publication, this week's issue is an experiment. People will ask why the usual size is not issued. The reason is lack of advertising. In weeks when the paper is published to conform with pay-day, it is much easier to secure advertising than in weeks without a pay-day. People express disappointment if a week passes without The Journal appearing, and we regret it quite as much as the people. But we cannot continue to publish the usual size with advertising revenue depleted to about one quarter of what is normally required. Therefore, if occasionally you are greeted with a tabloid size newspaper, you'll know the reason why, and that it's not from choice, but from necessity that we do this.

President Roosevelt in a radio broadcast on Sunday evening from the White House gave a very clear exposition of the reasons of the banking holiday being proclaimed in the United States. The chief executive of the nation talked to Mr. Average Citizen in a very frank way, and stated that when people fully understand the reasons why the government took emergency action to stabilize the financial fabric they would co-operate. The heart-to-talk emphasizes the point that people must co-operate in order to overcome difficulties; that confidence is the mainspring of business the world over. Fear has wrecked many ambitious projects, and it would have created a panic in the United States. The president's prompt action saved most of the banks of the States from going on the rocks.

Refusing admittance to newspaper reporters is usually an indication that something is going on which it is not advisable to permit the public to know. Such action does not affect a newspaper, but it does tend to destroy public confidence in public officials who sanction such action. Blairmore town council intimates that it will hand out copies of council proceedings to daily newspaper correspondents.

If the council tries to keep uncomfortable facts from the public by closing their meetings to newspaper men, they must have reason for so doing. The question occurs—is it in the public interest to do so? It is well known that publicity is preferable to secrecy in the conduct of public affairs. Recently a widely read newspaper stated: "Try to keep uncomfortable facts from the people and the effort is often a boomerang. The truism that publicity is the better policy is ten times more applicable where the taxpayers' money is concerned."

The usefulness of the Citizens League is being demonstrated as an organization for more closely uniting the various factions in the community. It is good news to announce that our national holidays, Victoria Day and Dominion Day, are to be celebrated, and Coleman people can be depended on to co-operate with the committees so that these days will be as successful as the celebrations of last year. Local activities depend on public support, combined with leadership of those who are willing to give some of their time in planning and working in the interests of the community. United community endeavor makes a town a better place in which to live, and helps in developing friendships among people who otherwise would remain apart.

The chap you are pleased to meet is he who takes a cheerful view of life. Apostles of gloom are never popular.

You avoid them in order to escape their blighting influence. Though earthly life is not a paradise, there are many happy moments to be enjoyed. Save us from those whose attitude almost makes it appear like hell on earth.

FIRST came the Chevrolet Master Six—and Canada responded with the greatest welcome given a Chevrolet since 1929. Then, up stepped the leader with another entirely new line of cars, the Standard Six. Down went the Chevrolet base-price to the lowest figure in history for a full-size, six-cylinder closed car. And the spotlight of public interest flashed brighter than ever on Chevrolet.

Now—for the first time—there are two Chevrolet Sixes—the Standard and the Master. Body-styles for everybody. Prices for several different groups of buyers. But only one standard of quality—the very same high standard that has made CHEVROLET the greatest name in low-priced motoring.

Both Standard and Master lines offer Air-Streamed Bodies by Fisher—safety glass windshields—and that newest General Motors sensation: Fisher No-Draft Ventilation. In the Standard Six, you can enjoy all these advantages at the lowest operating cost of any full-size car on the road.

Whichever you choose—the mere fact that the leader built it is assurance of outstanding value. But you'll never really know how outstanding it is till you come to our showrooms—see it, drive it, yourself!

Edmonton's recapture of the Carnival Throne, the Edmonton Hustler's triple victory in the ladies' hockey series, and spectacular ski jumping by youngsters of 12 to 15 were the outstanding features of the Banff Winter Carnival recently concluded. Miss Violet Davis, of Edmonton, was crowned the 1934 Queen.

Canada's fifth annual mid-winter golf tourney, over the spring-like fairways of the Oak Bay Victoria Golf links for the E. W. Beatty Trophy, started February 21 with an entry list of 75 men and 45 women. They came from England, Scotland, United States, British Columbia and the Prairie Provinces.

Fish caught in the sea fisheries of Canada in 1932 totalled 711,917,800 pounds valued at over \$11,000,000. Of the total catch British Columbia accounted for 327,631,900 pounds; Nova Scotia, 264,788,800 pounds; New Brunswick, 16,594,800 pounds; Quebec, 167,164,200 pounds and Prince Edward Island, 23,738,000 pounds.

The Place Viger Hotel, Montreal, centre for thirty-odd years of the French-Canadian political, legal and social life of the Province of Quebec, has been given a further lease of life under Canadian Pacific direction until October 1. It was to have closed its doors permanently January 31, but many and powerful representations brought about the respite.

A record-breaking ride through the Rockies on their three-car special clipped four hours from the regular trans-continental train schedule in what Canadian Pacific Railway officials believe to be the fastest run ever made for the 565 miles from Vancouver to Field recently. The run, made by the Colbourne-Jones Company playing "Too True to be Good," started four hours after the regular train had left Vancouver and caught up with it at Field.

### Death of Mrs. Frank Tarabula

General regret was expressed at the passing of Mrs. Frank Tarabula in hospital here on March 5. Admitted to the hospital on Feb. 8, she was under treatment for cancer.

The funeral was held on March 8, and besides the immediate family and friends many townspeople attended the service in Holy Ghost church, Rev. Fr. Speckmeyer officiating. The Polish Society of Brotherly Aid and the Slovene National Benefit Society attended in their regalia.

Mrs. Tarabula came to Canada from Poland in 1912, and was married to Mr. John Pietraszko at Bankhead in 1914. They moved to Coleman, and in 1923 Mr. Pietraszko died following an accident in the mine, pneumonia developing from his injuries. Three children survive, Balbina, John and Anthony.

In 1930 Mrs. Pietraszko was married to Mr. Frank Tarabula, and the family lived at West Coleman. General sympathy is expressed for the bereaved husband and the children.

### CARD OF THANKS

Mr. Frank Tarabula and Balbina, John and Anthony Pietraszko and Mr. and Mrs. Joe Pietraszko desire to thank all who sent letters to them in their bereavement, those who sent flowers and who loaned cars for the funeral. The many expressions of sympathy were deeply appreciated.

Thanks are also expressed to the doctors and hospital staff for their kind services during Mrs. Tarabula's illness.

Wreaths were sent by the following: Mr. F. Tarabula and Balbina, John and Anthony Pietraszko, Mr. and Mrs. Joe Pietraszko, Athelmer; Mr. Nemrava, and family, Canal Flats; Mr. and Mrs. Joe Michalsky; Polish Society of Brotherly Aid; Slovene National Benefit Society, No. 276; Mr. and Mrs. Sam Gambala; Mr. and Mrs. Alex. Kwassny; Mr. and Mrs. James Moores and Mr. and Mrs. Allan Brown and family.

Mrs. Nash, Mrs. Ferguson and the "Cameronians" Red Cross are also thanked for sending flowers during Mrs. Tarabula's illness.

### Electric Bridge Table as Prize

St. Alban's Vestry announce a whist drive for Easter Monday, for which extra good prizes will be offered, to be announced. A prize drawing in connection will be an electric bridge table, which will be on display down town. This remarkable table shuffles and deals each player thirteen cards much more efficiently than by hand dealing, and no matter how the cards may be stacked, you cannot tell to which player any particular card will be dealt. The tickets are 25c each, put up in books of 10 or 25.

The proceeds will be used to provide a new hardwood floor in the parish hall. Watch for further details of prize.
